Species Manufactured/Sold/Consumed (Active, Partner & Associate Members Only)

Equipment, Supplies & Services Provided (Sustaining Members Only)

Membership Categories Based on Business Type

This is an Active category business with annual hardwood sales of _____.

Dues and Qualification for Active Membership are based upon sales of individuals, firms or corporations engaged in the manufacturing, custom kiln drying, wholesaling or distribution of North American hardwood or cypress lumber, veneer, plywood and related products and if such persons or entities maintain their headquarters in North America.

Business types include: sawmills; dry kilns; exporters; importers; concentration yards; distribution yards; brokers; dimension plants; wholesalers.

Active category membership is based on total gross revenue. Please choose the appropriate category that fits your organization.

- U1: <\$5 million
Membership Dues are \$1,340
- U2: \$5–20 million
Membership Dues are \$2,780
- U3: \$20–40 million
Membership Dues are \$5,560
- U4: \$40+ million
Membership Dues are \$11,125

This is a Partner category business

Partner membership is for individual firms or corporations engaged in consumption or manufacturing, custom kiln drying, wholesaling, or distribution of hardwood or cypress lumber, veneer, plywood and related products that have their headquarters outside of North America.

Membership Dues are \$1,550.

This is a Sustaining category business.

Sustaining membership is for individuals, firms or corporations who supply services, materials, or equipment to the active or associate members of this association or who are owners of North American hardwood timberlands providing the basic raw materials for the industry. Business types include but are not limited to: equipment manufacturers and dealers; insurance agencies; consultants; software developers; logistics and transportation providers; timberland owners.

Membership Dues are \$1,340

This is an Associate category business.

Associate membership is for individuals, firms or corporations that are consumers of North American hardwood or cypress lumber, veneer, plywood and related products for manufacturing. Business types include but are not limited to: cabinet shops; furniture and flooring manufacturers; molding and millworks; pallet manufacturers.

Membership Dues are \$1,340

I am an Inspector category who grades or inspects hardwood lumber for _____.

Inspector membership is for individuals who grade or inspect hardwood lumber for an active or associate category company but do not operate their own inspection service business.

Membership Dues are \$75

This is a Research category membership.

Research category membership is for individuals or organizations that conduct North American hardwood forestry or hardwood forest products utilization research, or who have an interest in hardwood research results. Examples include state or federal forestry departments, educational institutions and hardwood utilization research agencies.

Individuals – \$55 Institutions – \$190

Regulations Relating to Membership and Dues

The annual terms shall be a full year beginning on the first day of the month following the receipt of application. In the event member fails to pay all invoices rendered when due, member agrees to pay all costs of collection, including reasonable attorney fees. Contributions or gifts to the National Hardwood Lumber Association are not deductible as charitable contributions for federal income tax purposes. However, they may be tax deductible as ordinary and necessary business expenses.

The National Hardwood Lumber Association is a 501c6, not-for-profit trade association organized to promote the welfare and protect the interests of the North American hardwood trade.

The undersigned hereby applies for membership in the National Hardwood Lumber Association, and agrees to be governed by the Constitution and Bylaws, Rules and Regulations of the Association. The signature below certifies that the annual sales figures used to compute the above dues are true and correct.
